*“Let the elders who rule well be counted worthy of double honor,
especially those who labor in the word and in teaching.”*

1 Timothy 5:17

I love when God,
starts to finger paint
Autumn's glorious colors
with no holds or restraint.

The colors splash about,
vibrant shades of orange-red
mingled with shiny slivers
of a brilliant golden thread.

As the rain begins to fall,
the colors appear to run
smeared across the horizon
as the clouds hide the sun.

The streets get all blotted,
with crispy yellow leaves
as they do their wind dance
to soggy roads they cleave.

I love when God,
fingers begin their painting
it reminds me of the glory
He has for me awaiting!

-Deborah Ann Belka

*"Neither say they in their heart,
Let us now fear the Lord our God,
that giveth rain, both the former
and the latter, in his season: he
reserveth unto us the appointed
weeks of the harvest."*

Jeremiah 5:24

Grins & Giggles

The church steeple on the old church is very high and was being painted on a rather hot day. The painter was about half way down and, as the steeple was widening out, was taking more paint. The painter felt that he might not have enough paint to finish. Since he was hot and tired, and did not care to make another trip to the ground, he decided to stretch the amount of paint by adding some paint thinner to it. When finished, he lowered himself to the ground and went about cleaning up. Then he looked up to see the results of his work and noted that the area with the thinned paint looked decidedly different. He was pondering about what to do about it when the sky turned dark and there was a lightning flash and loud thunderclap. Then in a loud, booming voice from the sky came the words, " REPAINT AND THIN NO MORE!"
