# Little Things

*The story is told of a giant tree in Colorado which fell to the ground after having stood majestically on a hill for over 400 years. A mere sapling when Columbus landed in San Salvador, over the centuries it had been struck by lightning 14 times, braved great windstorms, and even defied an earthquake. In the end, however, it was killed by some little beetles. Boring under the bark, they chewed away its mighty fibers until one day that lordly king of the forest came thundering down.*

*So, too, apparently insignificant things often make substantial inroads into our spiritual lives, and if left unchecked may cause our downfall. The idle word spoken, the prayer time omitted, and the occasional fleshly pleasure indulges—these things “spoil” the vineyard much more than we realize. If Satan gets an entering wedge on inconsistency, the leverage he then exerts is greatly increased.*

Smoking or Non-smoking?"**

## SIT STILL

**"After a morning worship service, a mother with a fidgety seven-year-old boy told her Pastor how she finally got her son to sit still and be quiet. About halfway through the sermon, she leaned over and whispered, 'If you don't be quiet, the Pastor is going to lose his place and will have to start his sermon all over again!' It worked."**
